❯ Expo accounts

⌄ Bare React Native

Overview

Install Expo modules

Migrate to Expo CLI

Add expo-updates to an existing project

Custom native code in Expo Go

Install development builds in bare React Native

Error recovery

Regulatory compliance

Data and Privacy protection

GDPR compliance

Privacy Shield and Expo

Is Expo Privacy Shield certified?

Yes! Here **is our Privacy Shield participant page**

Because we are Privacy Shield certified, all of our users have the right to obtain our confirmation of whether we maintain personal information relating to you, and the right to access, correct, amend, or delete that data. Any requests for alteration of data should be sent to secure@expo.dev, and all requests **must come from the email associated with that Expo account**.

> ℹ️ If requested to alter, remove, or limit the use or disclosure of data, we will respond within forty-five (45) days of receipt.

You can find a thorough explanation of all the topics that are relevant to Privacy Shield (such as what data we collect, why, and how) in our privacy policy.
